Delectable Lanterns

This is one of our "cut, stitch and cut again" classes where you will be using simple speed piecing techniques to make a set of blocks. These blocks can be set together into a smallish table cover, bed or table runner, or they might even be the start of a quick quilt.

Requirements

- a minimum of 4 fat quarters of "main" fabrics – if in doubt bring more than 4! and for best results we recommend you choose your fabrics from one colour family according to your preference eg blues, greens, yellows – but not all mixed together. **OR** – layer cake squares, at least 16

- a minimum of 1metre of background fabric, **OR** 4 fat quarters

- Rotary cutter, ruler and mat – please check your blade before class and replace with new if required
